

Dr Suzanna Goodison

PSYCHIATRIST | BVSC (Hons 1), MBBS, Mmed, FRANZCP

Overview

Dr Suzanna Goodison is a highly qualified and experienced Psychiatrist with a diverse background in both human and veterinary medicine. Dr Goodison currently holds multiple positions, including a permanent Staff Specialist role in Consultant Liaison Psychiatry at Royal Prince Alfred Hospital, Visiting Medical Officer in Perinatal Psychiatrist at St. John of God Hospital and Royal Hospital for Women, and a Conjoint Lecturer in Psychiatry at the University of NSW.

With extensive experience in medicolegal assessments, perinatal psychiatry, and consultation liaison work, Dr Goodison has developed expertise in managing complex mental health issues, trauma, and the intersection of physical and mental health. Her background as a veterinary surgeon adds a unique perspective to her medical practice.

Dr Goodison is actively involved in teaching, supervision, and examination of medical students and psychiatry trainees. She participates in various committees, quality improvement projects, and community initiatives. Her commitment to ongoing professional development and interdisciplinary collaboration is evident throughout her career, making her a valuable asset in the field of psychiatry.
